

Save the Dates!

October 16-17, 2026

at Eastside Church in Bothell, WA

REGISTRATION OPENS AUGUST 1, 2026.

When our monthly **Missions Fest Seattle (MFS)** leadership team met on June 20th, we prayed to our Lord God for guidance and wisdom as we prepare for this annual **city- & region-wide** missions festival in 2026. We are fervently praying for more laborers to be involved in God's spiritual harvest here, near, and far. This festival has a stunning track record for inspiring, training, and equipping Jesus followers to increase personal missions involvement in praying, sending, and going to the nations. Many lives have been transformed over the years as people dedicate their lives to serving God!

SNEAK PEEK AT YOUR PROMO MATERIALS

(Subject to change). You are invited to help us promote MFS to churches and individuals. The two posters revealed above are from volunteer graphic artists which were reviewed. Expect to soon receive access to high quality downloadable promotional items from our website missionsfestseattle.org. These items will include bulletin inserts, flyers, and other media that can either be printed or visually displayed on screens. Other items can be shared on social media. Please share with everyone who is believer so that God can call many to this event. We are already expecting more than 1,000 people to attend!

YOUR TIME IS URGENTLY NEEDED!

The Holy Bible indicates that our lives are but a momentary breath (**Psalm 144:4**). Jesus says we need to do the works of God while we still can because a time is coming when no one can work (**John 9:4**). We know that missions are close to the heart of God. He is calling all His followers to make a difference for eternity in proclaiming the Gospel which is the best news of all time (**Mark 16:15**), AND we are to make disciples (**Matthew 28:19-20**). Let's love God and others with everything we've got and not waste God's resources for that which is temporary. Let's instead invest and transfer these treasures that will reap dividends for all eternity! (**Philippians 4:17, Matthew 6:19-21**).

EXPERIENCE MISSION HIGHLIGHTS

(Subject to change)

- Multiple plenary speakers will inspire better effectivity in our service.
- 80 exhibitors reveal opportunities for networking and involvement.
- 50 seminar choices will help you become better trained & equipped for God.
- The "Wall of the Unreached" display will profoundly impact you.
